Instructions for authors

Submission

- Authors must send before deadlines their contributions through the Sciendo platform
- Authors should submit an Abstract/Short Paper/Full Article in English, carefully checking for correct Grammar and spelling and addressing one or several of the conference areas or topics. Each abstract/short paper/full article should clearly indicate the nature of its technical/scientific contribution and the problems, domains, or environments to which it is applicable.

Templates for Submission

- The template for the short paper **(5 pages maximum)** is here

Plagiarism Prevention

- We use iThenticate software to detect instances of overlapping and similar text in submitted manuscripts. iThenticate software checks content against a database of periodicals, the Internet, and a comprehensive article database.

Grammar Check

- We refer to our language Expert and Grammarly to check the manuscripts for Gramma and any language issues, any manuscript with a high rate of language imperfection will be not taken into consideration.
